

Notice of Finding of No Significant Impact
For the City of Williams One Million Gallon Tank Project
Public Noticed on April 9, 2020 in the Arizona Daily Sun

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for financial assistance from the City of Williams for a Drinking Water Infrastructure project. The purpose of this notice is to inform the public and request comments.

WIFA staff analysis concluded that the following project neither individually nor cumulatively has a significant effect on the human environment. Therefore, the following project qualifies for a Finding of No Significant Impact (FONSI).

The City of Williams proposes to install a one-million-gallon bolted steel water storage tank. The latitude and longitude for the tank site will be approximately 35°15'14.78" N and 112°10'30.66" W. The waterline will be installed in a dirt access road and along Route 66. It will connect to an existing line at the intersection of Slagel Road and Route 66. The system is located to the east of Williams, Arizona, in Coconino County, and provides potable water service to approximately 3,256 people.

Documentation regarding the proposed project is available for review at WIFA, 100 N. 7th Avenue, Suite 130, Phoenix, Arizona 85007. All written requests for information or letters containing written comments should be addressed to WIFA at the address above. All written comments must be received no later than 5 p.m., 30 days from the publishing date.

WIFA complies with the Americans with Disabilities Act of 1990. Alternative formats for the project documentation are available upon request. Inquiries, requests and comments should be directed to Morgan Burgess, Environmental Program Specialist, at (602) 364-1321 or mburgess@azwifa.gov.
