

Notice of Categorical Exclusion
For the Town of Springerville
Radium Mitigation – Blending Project
Public Noticed on January 14, 2020 in the White Mountain Independent

The Water Infrastructure Finance Authority of Arizona (WIFA) has received a request for a grant from the Small Drinking Water System Fund for the Town of Springerville to construct a below ground blending vault to combine well water for radium mitigation. The purpose of this notice is to inform the public.

WIFA staff analysis concluded that this project qualifies for a CATEGORICAL EXCLUSION following the requirements of A.A.C. R18-15-106, as amended. The proposed project will not impact the environment either by itself or in combination with other projects, and the environmental information provided has met statutory intent of the WIFA's environmental review requirements.
